of INTEGRATIVE MEDICINE

Informed Consent to Treat

Consent: I voluntarily consent to outpatient care provided by Dr. Susan Williamson Weirick NMD and/or Dr. John Williamson NMD and/or Emil Slovak Jr. MD and/or Phillip Williamson NMD and/or Kaylee Thoreson NMD encompassing routine diagnostic procedures, examination and medical treatment including, but not limited to, routine laboratory work (such as blood, urine and other studies including imaging studies), Intravenous therapies, injections, acupuncture, and administration of medications prescribed by the doctor.
I further consent to the performance of those diagnostic procedures, examinations and rendering of medical treatment by the medical staff and their assistants, including their designees as is necessary in the medical staff's judgment.
I understand that not ALL of the treatment suggestions provided are accepted by the United States FDA and therefore should not be taken as such.

Type of Care: I understand that this medical practice uses some diagnostic and treatment methods that are variously known as, but not limited to: Naturopathic, environmental, complementary, alternative, integrative or nutritionally oriented. I agree to treatment using, but not limited to, nutrition, lifestyle, homeopathy, ozone therapy, manipulation, herbs, chelation therapy, acupuncture, pharmaceuticals, and intravenous and injection therapies.

Recital of Risks:
I understand and am informed that, as in the practice of naturopathic medicine/medicine, there are some risks to treatment, including, but not limited to: Pain, discomfort, blistering, minor bruising, discoloration, infections, burns, itching, loss of consciousness, allergic reactions to prescribed herbs, supplements, medications, aggravations of pre-existing symptoms.

Notice to all pregnant women: All female patients must alert their physician if they have a confirmed or suspected pregnancy as some of the therapies prescribed could present a risk to the pregnancy.

Notice to individuals with bleeding disorders, pace maker and /or cancer, for your safety it is vital to alert your physician of these conditions.

I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known, is in my best interests.

No Guarantee: I understand that results are not guaranteed.

Agreement and Continuous Effect: I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I understand that this consent form will be valid and remain in effect as long as I receive medical care provided by Dr. Susan Williamson Weirick NMD and/or Dr. John Williamson NMD and/or Emil Slovak Jr. MD and or Phillip Williamson NMD and/or Kaylee Thoreson NMD.
